- **Each New Family Clan (NFC) will select 2-3 people that will be the leaders of the NFC and join the Administrative Board (AB) for the Family.**
  - **The AB will have its very own group on Line Messenger (LM). This group will be used to discuss things that affect the Family.**
- N.B. Promotions/demotions involving the Elder status need no discussion. However, Co-Leader promotions/demotions will require a discussion and a vote for the final decision.**
- **Each NFC will be required to only have ONE account per player. Alt/mini accounts are to be removed upon joining the Family.**
  - **Members of the Family WILL NOT be required to host tournaments, this is absolutely optional. However, members of the Family WILL have access to ALL posted tournaments.**
  - **A player that has not donated for a week, without warning, will be flagged for inactivity. Players that are flagged will be sent a message and a clan mail asking for a response. If no response is given then the player will be flagged to be kicked. The kicking of flagged players can be on a "need space basis" (if the clan is full and a spot is needed for an active player).**
  - **Clan tournaments are PRIVATE and for the clan ONLY unless otherwise specified. Alt/mini accounts can join to collect free cards if there is a spot. However, they are not allowed to battle.**
